

NCPG07E

Features

Pure Sine Wave Inverter

Easy portability with trolley case

Shock Proof

IP67 (ingress protection)

Charge status indicator

Dedicated status and error indicators (visual and audible)

Silent working mode

Integrated quick charger

Specifications

- Output Voltage : 240/110V AC 50/60Hz
- Max AC power Output: 700 W
- Internal Battery Capacity: 1200 Wh
- Charging Time (Hrs): 7
- Size/mm [in]: 549 x 346 x 236 [21.61x13.62x9.29]
- Weight/Kg [lbs] : 18 [39,68 lbs]

Eco Friendly - Zero CO2 emissions

This portable power generator acts as an AC power source based on a sine wave inverter and runs on lithium-ion technology. The generator offers a silent, protected and robust solution which makes it ideal for working in any type of environment.

Versatile construction with 4 interchangeable 300Wh battery modules that can be inspected in the event of an after-sales service.
